-Wind direction: East.

➤ **Sunday 26th, 8 am**

-Temperature: 0 °C.

-Cloudless.

-Wind direction: East.

-No rainfall.

➤ **CONCLUSIONS.**

The last two weeks in Tomelloso have had little variation in temperature at this time of the morning.

Throughout the week, we have been able to observe that there have been no showers and that the thermal sensation was very similar to the original temperature.
