

MY GREEN DIARY

BY MARCOS
SERRANO

F

DAY 1

I went to the recycling centre to drop off the recycling.

I picked up some litter from the street.

I had a shower and used some bar soap.

DAY 2

I told some children that we should all protect the planet.

I turned off the light when I left a room.

I used some organic waste to make compost.

DAY 3

I took a short shower.

When I walked the dog, I picked up his mess.

I fed my dogs with leftovers.

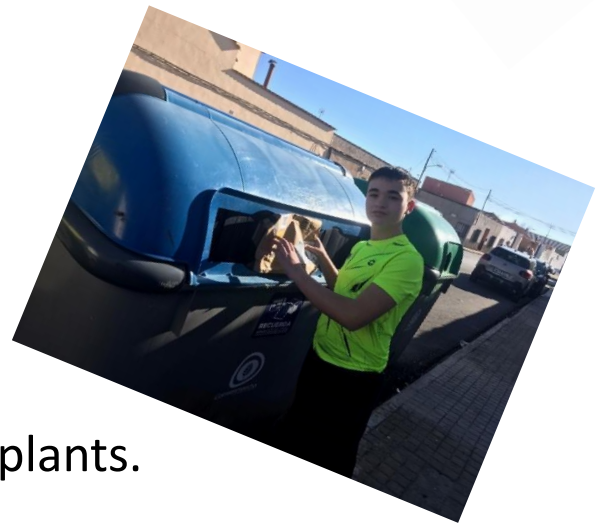

I used solar energy for electronic devices.

DAY 4

I went to the recycling centre to drop off the recycling.

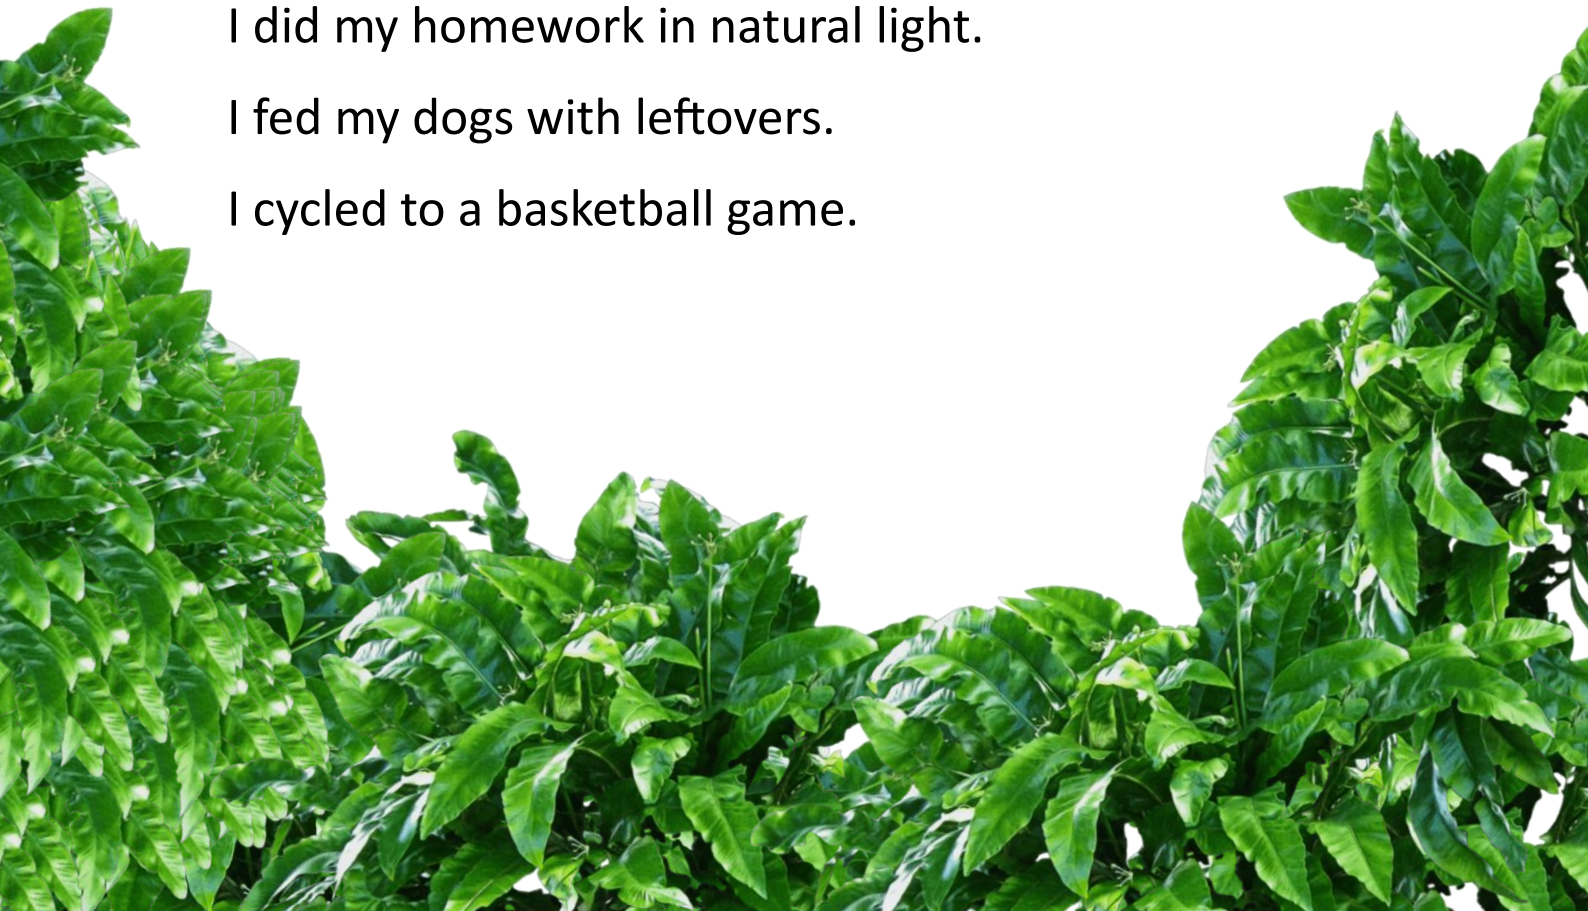

I used drip irrigation to water my plants.

DAY 5

I did my homework in natural light.

I fed my dogs with leftovers.

I cycled to a basketball game.

DAY 6

I had a shower and used some bar soap.

I fed my dog with leftovers because we had family lunch.

DAY 7

I used eco-friendly brands. I used organic waste to make compost.

DAY 8

I watered my plants with rainwater
I participated in a clean-up activity.

DAY 9

I turned off the tap while I was brushing my teeth.
I switched off the light when I left a room.

DAY 10

I had a shower and used some bar soap.

I did my homework in natural light.

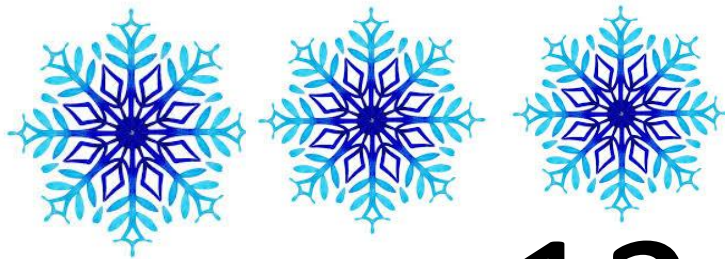

DAY 11

I picked up some litter from the street.

I went to the recycling centre to drop off the recycling.

I walked to school.

DAY 12

I started to make a Christmas card from an old box.

DAY 13

I finished my Christmas card today.

DAY 14

I helped my grandfather to feed his hens with leftovers.

I helped my father to collect some rubbish.

DAY 15

I did my homework in natural light.

I planted some sunflower seeds in the garden.

DAY 16

I had a shower and used some bar soap.

I turned off the tap while I was brushing my teeth.

DAY 17

I walked to school.

I used drip irrigation to water my plants.

I fed my cats with leftovers.

DAY 18

I had a shower and used some bar soap

My grandfather and I told my grandmother about global warming and its consequences.

DAY 19

I took a short shower.

I went to the recycling centre to drop off the recycling.
